

Edinburgh's Most Trusted Carpet & Upholstery Cleaner Carpet Cleaning Edinburgh

DirtMaster is Edinburgh's leading Carpet and Upholstery Cleaning Company and we pride ourselves in meeting the needs and time demands of all our clients ranging from large commercial to domestic household clients.

At DirtMaster we believe that customer satisfaction is first and foremost our objective every time and with this in mind we treat you and your property with the upmost respect and care.

With over 10 years experience and highly trained staff, you can be rest assured you will get the most professional deep down clean at all times.

We come highly recommended and are trusted by all our existing clients. Our Edinburgh Carpet Cleaning services include: Deep down carpet cleaning. Your carpets will be left cleaner and fresher than ever guaranteed. The carpets in your home are like an air filter, and from time to time this air filter will get clogged. It is essential that Dead Skin cells, Grease, Dirt, Grime, Dust Mites, Dust Mite Waste and other allergens are thoroughly flushed out.

Here at DirtMaster we use the "hot water extraction method", the method preferred by carpet manufacturers. All furniture will be moved free of charge and carpets will be dry within 2-3 hours.

Upholstery Cleaning. Suites are also thoroughly cleaned and any stains removed. We use the best detergents and chemicals to break down the oils and pollutants, followed by our market leading machinery to extract the dirt. We at DirtMaster understand the main areas of staining i.e. arms, seats and head rest. So these areas will get extra attention.

Leather Suite Cleaning. Weather its cream leather or dark leather; it's not a problem for our technicians. You'll be amazed at how fresh, replenished and new the suite will look. Leather conditioner and polish is applied free of charge after the cleaning. Covering Edinburgh and Lothian's DirtMaster has been family run since 1990.
